Fire

is liable to destroy your building at any time. Why not provide for such an emergency? When it does come you can erect a new building with the money paid over to you, in accordance with the terms of the policy. You then feel the blessings of fire insurance. Why delay any longer? Call on us for full particulars as to policies, premiums, etc.

Illegal Practitioner.

Dr. Burfield, a physician who has been practicing at Hyars without a certificate from the Chickasaw Medical Examining Board, has been indicted and placed under a \$500 bond for his appearance at the next term of court at Pauls Valley to answer to the charge of illegally practicing medicine. This is the first case of its kind that has come up in the Chickasaw Nation, although there promises to be a number of such. The Chickasaw Medical Examining Board and association have done much for the benefit of the citizens of the Chickasaw Nation, and with the help of the district attorney they will eventually dispose of all who are practicing medicine unlawfully. District Attorney Johnson stated this morning that they would go after the druggists who do not comply with the law and indict them just the same as the doctors who have not a certificate from the Chickasaw Medical Examining Board.

Dr. Nicholson, dentist, will be in Atlanta, Ga., from Jan. 1 to May 15, 1935. 5-3

Will Be a Candidate.

J. M. Dorchester, the efficient postmaster of Pauls Valley, was in the city last night enroute home from Tishomingo where he had been for several days pending the decision of the citizenship court involving the right of his children to admittance as citizens of the Chickasaw Nation. Mr. Dorchester said that the court held that his children were not entitled to be admitted, although Mr. Dorchester was admitted some time ago by the same court.

Speaking of conditions tributary to Pauls Valley he stated that the country was in splendid shape. "Pauls Valley has been a great market for cotton this season," said Mr. Dorchester. "Our receipts have been very near."

Although he has more than a year to serve as postmaster he said that he would be an applicant for reappointment. "There never has been a complaint filed against me since I have been in charge of the office," added Mr. Dorchester.
